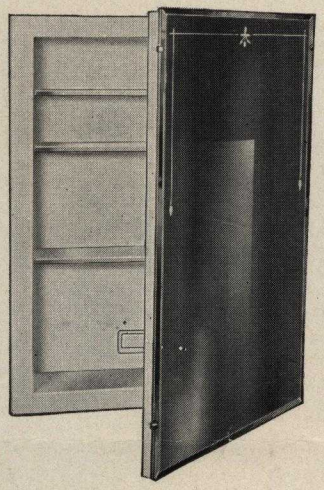
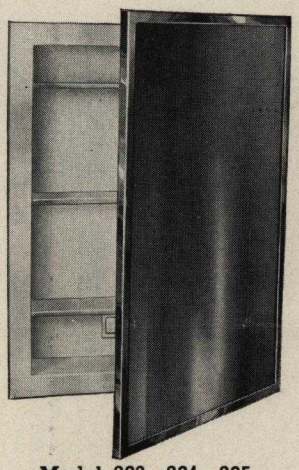
## Specifications

HILCO cabinets feature strong all-steel cabinet bodies with a baked enamel finish of the highest quality. HILCO mirrors are selected first quality plate glass, copper backed, and are guaranteed for five years against silver spoilage. Mirror-doors cover the entire cabinet, giving the appearance of a mirror hung on the wall. All doors are removable. Hinges are the strong non-sag type. Bulb-edge glass shelves are adjustable. The convenient razor-blade drop is a feature. All HILCO cabinets are popularly priced.

## Square Top Models



Model 64—65



Model 203—204—205

HILCO square top models are designed for the bathroom in which simplicity is desired. Mirrors are furnished either with beveled edges or framed in stainless steel, which matches Chromium perfectly. Cabinets contain two tooth-brush holders.
